Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Please find attached an interview summary and a notice of non compliance.

Quyen P. Leung
Primary Examiner
Art Unit: 2828

Response to Amendment

1. The reply filed on 3/8/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):
 - a. All amendments must be made relative to the printed patent, see 37 CFR 1.173(b) and 1.173(g). All new subject matter must be underlined, and all deletions, relative to the patent, must be in brackets [];
 - b. A supplemental declaration is needed to include the "all errors" clause to cover any amendments made after the declaration filed 12/29/00, see 37 CFR 1.175(b) and MPEP 1414 (III), 1414.01;
 - c. All of the references made of record in the patent should be made of record in this reissue. Therefore, "Operator's Manual For Collimated Diode Laser Arrays (Models LM-8, LM-12), McDonnell Douglas Aerospace, pp. 140 (no date available)", should be made of record in the reissue.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Quyen P. Leung whose telephone number is (571)272-1943. The examiner can normally be reached on 8-4:30, M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Minsun Harvey can be reached on (571)272-1835. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
